

Heavy Duty Hose Reels

SH, MP & HP Series

SH Series Super Hub™ spring driven hose reels, like the P Series, have a history of dependable performance. The larger chassis and frame accommodate longer lengths and larger diameters of hose. The dual axle support system increases the stability during operation, reduces vibration and strengthens the structural integrity of the reel.

SH, MP & HP SERIES Offers...

- ✓ Dual Axle Support Points To The Centre Shaft With Super Hub™ Axle Support System
- ✓ Solid Brass BSP Swivel
- ✓ Heavy Gauge 1/4" Steel Base
